Answer all the questions above to get an answer about your scholarship.

Since there are few spots, it's best if these spots go to those who couldn't necessary come except for this scholarship. If you pay something it may allow another person to come. If writing is not your thing, get a friend to help. No more than a page, please!

You'll need to give me a working email address for me to reply to you. If you are buying a plane ticket, please say so on the top of your email and on the application.

Applications are reviewed two months before the training. You will be contacted the following week. Limited seats are available.

Cancelation:

If you are selected and something changes in your life so that you no longer want to come or can no longer travel to the workshop, please let us know quickly so we can give your spot to another Birth or Body Worker of Color.

If you canceled or the workshop is canceled by us for any reason, all travel expenses, including hotel, flight, train, gas, and other expenses you have paid will not be reimbursed.

**By participating in this offering, you are promising to tell us if it happens that you can no longer attend so we can give your potential spot to someone else.

Please submit your application 2 months before the event. Email it to Melissa@SpinningBabies.com

If you are eligible and offered to pay more than \$0, then you will get an invoice in your email to pay through the internet. This is the best way to pay.

Thank you so very much,
